Cameo White

The Kohler Store at Chicago's Merchandise Mart

When Kohler wanted a clean, sharp look for their new store in the new Chicago Merchandise Mart, they turned to DuPont™ Corian® for durable vertical and horizontal surfaces.

"We choose Corian® because it is preferred by many of our designers to complement Kohler fixtures for a wide variety of commercial and residential applications. Corian® Cameo White off-sets our products beautifully and the customers love the way it feels when they are testing our products on display. It is also durable enough for high traffic retail situations and easily renewed if scratched."
