

BLANCO

new 1-3/4 size
fits 36" cabinets

luxury that fits...BLANCO PERFORMA

PERFORMA 1-3/4 bowl is shown with BLANCO MERIDIAN™ kitchen faucet including side spray and soap dispenser.

Featuring elegant curves and sensual style.

BLANCO PERFORMA: luxury that fits

Offering an **unmatched breadth of product choice**, PERFORMA makes it easy to extend a look from the kitchen, to the island, to the bar in the entertainment area – **with consistent style and quality.**

A new 1-3/4 bowl model is an ideal fit for 36" cabinets, joining 15 distinctive stainless kitchen, prep and bar designs.

The complete PERFORMA collection is available in stainless steel and SILGRANIT®, **with 37 models in sizes that work in both standard and custom cabinets.** Visit www.blancoamerica.com for more information.

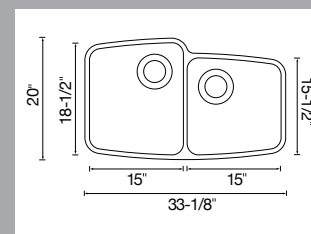

All PERFORMA designs maximize the counter space – allowing for more visual surface and extra room for faucet installation, while maintaining high capacity bowl depths.

An easy-to-clean satin polished finish provides easy maintenance, while premium 18 gauge stainless steel assures exceptional radiance, durability and resilience.

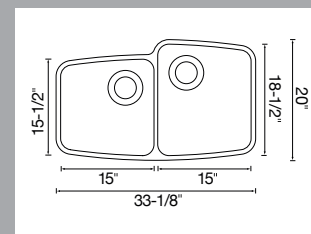

A broad selection of faucets and custom accessories is available to create a totally integrated work and preparation center.

Founded in 1925, BLANCO is a family owned German company, recognized as a world leader in quality, innovation and attention to detail.
