SILGRANIT® II

80% rock-hard granite

7 patents

5 colors

22 shapes

80+ years of quality

100% BLANCO

NON-FADING

Lesser sinks don’t stand a chance in direct sunlight. But a SILGRANIT® II sink won’t fade, crack or dry out. Simply because the color penetrates the entire product — not just the surface. So you get consistent color that lasts a lifetime.

The features you simply won’t believe.

BLANCO SILGRANIT® II Sinks
BLANCO faucets not only coordinate with our Stainless and SILGRANIT® II kitchen and bar sinks; they’re made from some of the highest quality materials available. Solid brass body construction anchors the finely tuned inner workings, from long-lasting ceramic disc cartridges to the flexible and convenient pull-out spray hoses. Plus, they come in a variety of styles and finishes to suit your personal style. But to consider it just a faucet is an insult. After all, it’s by BLANCO.

- **Solid brass body**
- **2.2 GPM low rate**
- **Reversible mounting hardware adapts to thick or thin mounting surfaces**
- **Color-coded hot & cold supply lines**
- **Ceramic disc cartridges**
- **Double spiral flexible pull-out spray hose**

**COLOR COORDINATED STAINERS**
- White 441391
- Biscuit 441002
- Stainless Steel 441055
- Cali Brown 441204
- Anthracite 444180
The Look.
5 classic colors and 23 stylish shapes and sizes. Fits any style and kitchen – from country to contemporary, traditional to transitional.

The Feel.
As smooth as silk. As hard as stone. And perhaps, the most precious natural element in the kitchen. Go ahead, feel it for yourself.

The Durability.
You can’t scratch it, chip it, burn it or stain it. Which means other sinks can’t beat it. Made from 80% rock hard granite – it stands up to the toughest challenges.
HEAT RESISTANT

Go ahead, toss in a hot pan. Throw in a baking sheet. Or put that boiling pot right on the work area. Withstanding temperatures of up to 536 degrees, you just can’t burn, scorch or mar a SILGRANIT® II sink.

A European inspiration of refinement, form and color. With more size and installation flexibility – this collection effortlessly takes on whatever you’re cooking. The exclusive design of our BLANCO PERFORMA CASCADE super single bowl (above), features an innovative, self-draining platform area. Shown with BLANCO MERIDIAN™ Semi-Professional kitchen faucet in polished chrome.

CUSTOM ACCESSORIES

Dual deck design is ideal for both drop-in or undermount installations.
SCRATCH RESISTANT

Steak knives. Carving knives. Paring knives. Pots and pans. You name it. SILGRANIT® II can handle it. So, whether you’re slicing, dicing, mincing or chopping, you just can’t scratch this sink.

BLANCO AXIA 6S™

FOR THOSE WHO COULD USE AN EXTRA SET OF HANDS... A GIFT.

Expanded work area with all the bells and whistles. Discover the essence of European style in this functional and fashionable design. A safety glass cutting board slides easily over the main bowl for a smooth work flow, while the highly durable surface makes scratches and stains a thing of the past. Shown with BLANCO MERKUR PLUS™ kitchen faucet in polished chrome.

JUST LIKE THE PROS – ONLY BETTER LOOKING!

No need for add-ons. This all inclusive combo sink and work-station comes complete with a space saving, non-breakable glass cutting board, a deep multifunctional steel colander and a convenient pop-up waste strainer.
ACID RESISTANT
Slice a lemon. Squeeze a grapefruit. When it comes to citrus, SILGRANIT® II has no fear. Rock hard granite material creates an acid-resistant surface, so you can enjoy all your favorite foods without damaging the finish.

Classic style designed for the hardworking kitchen. The BLANCO DIAMOND™ collection delivers a wide array of applications combined with styling that fits any decor. BLANCO DIAMOND™ 1-1/2 bowl shown with BLANCO PURUS I™ kitchen faucet with side spray in polished chrome.

BLANCO DIAMOND™ COLLECTION – Double Bowls
UNIVERSAL IN FIT. BIG ON STYLE.
STAIN RESISTANT
No matter what you’re drinking, pouring… or even sometimes spilling, SILGRANIT® II sinks are designed to defy all types of stains. In fact, the ultra-durable, non-porous material resists everything from black tea to red wine.

BLANCO DIAMOND™ COLLECTION – Single Bowls & Bar Sinks
MORE STYLES. MORE APPEAL… IT’S ALL ABOUT YOU.

Our hardworking MULTI-LEVEL sink from the BLANCO PRECIS™ Collection – inspired by professional kitchens in both form and functionality. Custom accessories create an integrated workspace, saving you time in the kitchen and inspiring you to unleash your inner chef. Shown with BLANCO MERIDIAN™ Semi-Professional kitchen faucet in polished chrome.

CUSTOM ACCESSORIES
WHEN IT COMES TO INNOVATION, WE’VE GOT HISTORY.

Back in 1925, our first employees were dedicated to crafting the most technologically advanced products. More than 80 years, 3 generations and 40 million sinks later, our team of artisans, scientists and engineers continually strive for innovation and unsurpassed quality so that every design can live up to the BLANCO name.

BLANCO PRECIS® II MULTI-LEVEL WITH DRAINER

Two functional work levels offer the ultimate in food preparation. Cutting board slides along the entire width of the sink, allowing it to work in tandem with the stainless steel colander in the bowl below.

CUSTOM ACCESSORIES

The MULTI-LEVEL design includes a sliding walnut cutting board, custom sized, stainless steel colander and three sink grids, all packaged with the sink. Not available separately.

CLEANABILITY

Easier to care for than any other material – our newest innovation is an advanced surface technology that repels water, provides a permanent protective shield against stains and is extremely hygienic. The proof is in the 7 patents and the independent test results – up to 40% greater cleanability than others in the category. SILGRANIT® II is also cleanable with just the wipe of a sponge against grape juice, acidic foods, tea stains, red wine, even heat dried. Plus, whether you run a fork, knife or plate on the surface up to 536 degrees right on its surface – all have no lasting impact. Simply put, SILGRANIT® II provides the ultimate finish in color, durability and cleanability.
