Disclaimer: design: DuPont is the manufacturer of sheets of material and is not in the business of designing, fabricating or performing installations; and we do not employ architects skilled in the art of design. Accordingly, we do not claim to have any expertise in this area. As a result, we do not approve or disapprove any designs or drawings submitted or assume any liability for the designs you have selected. Any and all liability for a design rests with the architect, or the designer, or the owner, or the user, based on whatever contractual arrangements have been made.
